#### **§ 3020.50 General.**

Users of the mail, by filing a request with the Commission, may propose a modification to the market dominant product list or the competitive product list appearing in the Mail Classification Schedule. For purposes of this part, modification shall be defined as adding a product to a list, removing a product from a list, or transferring a product from one list to the other list.

#### **§ 3020.51 Contents of a request.**

A request to modify the market dominant product list or the competitive product list shall:

(a) Provide the name, and class if applicable, of each product that is the subject of the request;

(b) Indicate whether the request proposes to add a product to the market dominant list or the competitive list, remove a product from the market dominant list or the competitive list, or move a product from the market dominant list to the competitive list or from the competitive list to the market dominant list;

(c) Indicate whether each product that is the subject of the request is:

(1) A special classification within the meaning of 39 U.S.C. 3622(c)(10) for market dominant products;

(2) A product not of general applicability within the meaning of 39 U.S.C. 3632(b) for competitive products; or

(c) Explain why, as to competitive products, the addition, deletion, or transfer will not result in the violation of any of the standards of 39 U.S.C. 3633.

(d) Verify that the change does not classify as competitive a product over which the Postal Service exercises sufficient market power that it can, without risk of losing a significant level of business to other firms offering similar products:

(1) Set the price of such product substantially above costs;

(2) Raise prices significantly;

(3) Decrease quality; or

(4) Decrease output.

(e) Explain whether or not each product that is the subject of the request is covered by the postal monopoly, as reserved to the Postal Service under 18 U.S.C. 1696 subject to the exceptions set forth in 39 U.S.C. 601;

(f) Provide a description of the availability and nature of enterprises in the private sector engaged in the delivery of the product;
